

About Us

Reliance Resource Solutions Ltd is a trading division of Reliance Secure Task Management Ltd, a wholly-owned subsidiary of the Reliance Security Group, UK leaders in security and police support. Our business, like all others within the Reliance Group, is built upon the pillars of partnership, trust and service quality - characteristics which are valued by a distinguished client base including the Home Office, Scottish Executive, Prison Services and many major UK plcs.

Core to the services we provide are the people we retain, manage and employ for our customers. We place a considerable weight on thorough and detailed due diligence as a part of our resourcing process.

This includes:

- Detailed qualification checks, including full CRB (if appropriate)
- Incisive interview and verification techniques to read between the lines of CVs
- In-depth reference checks on each candidate's career history

This rigour, combined with our team's extensive background in recruitment, gives our customers confidence that we have the experience and capability to deliver the highest quality staff for their requirements, whilst adhering to the principles of equal opportunity and diversity.

Awarded for excellence

INVESTOR IN PEOPLE

Professionalism through Partnership • Precision Resourcing

Police Services

Reliance Resource Solutions - specialist recruitment, outsourced services, training and consultancy.

Reliance Resource Solutions (RRS) is a resourcing specialist dedicated to meeting the specific requirements of the commercial sector, the Police Service, Government Agencies and Local Authorities. The services we provide include:

Recruitment

- Specialising in the supply of former police officers and security professionals for temporary, contract, interim and permanent positions.
- Assignments include investigative work on a case-by-case basis, requirements for specific skill sets on an hourly basis, and permanent middle / senior level recruitment using executive search and selection methods.

Outsourced Services

- Delivering complex projects transferring management / administration of staff and resourcing challenges to RRS.
- Providing a single point of contact responsible for clearly defined outcomes.

Training

- Bespoke training formulated by specialist accredited police and security trainers.
- A range of skills and knowledge-based training programmes including legislation, enforcement, compliance and best practice in investigation.

Consultancy

- Short term or ongoing access to top-tier experts with first-hand experience in UK legislation and enforcement issues as well as international security management and policing.

Reliance Resource Solutions Ltd is part of the Reliance Security Group, UK leaders in security and police service support.

Police Skills within the Commercial Sector

We deploy the skills of experienced former police officers and are able to supply their expertise for a range of business requirements. Our national network of staff are ideally placed to fulfil roles focussing on areas of particular expertise, including:

Investigations

- Fraud investigation, from employee malpractice to insurance fraud
- Statement taking and case preparation
- Accident and incident investigation and analysis
- Surveillance and undercover assignments

Consultancy projects

- Risk management and loss prevention
- Crisis and contingency planning
- Security of personnel, including VIP and executive protection
- Security audits
- Technical security services

Training

- Corporate training - e.g. asset security / management
- Crisis management and general emergency preparedness
- Personnel development - e.g. employee security awareness, drugs awareness
- Specialist training - e.g. control and restraint,
